

## Still Mine

Alextbh

All that I want is for you to take me in  
Cuddling and asking how my day has been  
All that I know's my patience is running thin  
You know I'll never ever say it  
And you will never try to save it

I've been tripping to the thought of you  
Looking at life in a fucked up hue  
Wailing when I am not around you, you  
Imma Imma keep acting a fool  
Guess that I will never see this through  
Why's it gotta have to be about you, you

You know that I've been suffocating  
For thinking who is in your bed  
You know I've not been thinking straight babe  
Cause you're still mine inside my head

Don't wanna come off too strong but you don't seem to mind  
Been playing imageries of you I still have in my mind  
Checking your instagram on the daily  
Sorry if I'm a bit possessive  
Give in to you I just can't help it

I've been tripping to the thought of you  
Looking at life in a fucked up hue  
Wailing when I am not around you, you  
Imma Imma keep acting a fool  
Guess that I will never see this through  
Why's it gotta have to be about you, you

I've been losing my goddamn mind  
Gimme some of your goddamn time  
I've been losing my goddamn mind  
Gimme some of your goddamn time babe

You know that I've been suffocating  
For thinking who is in your bed  
You know I've not been thinking straight babe  
Cause you're still mine inside my head
