

## When I Am Gone

Alextbh

I miss the days when things were easy  
When time was short, and I was sure  
I fought the tide and drowned in misery  
Wish I could leave, wish I could leave

I wanna know  
If there is a place where I belong  
I wanna know  
Don't shed your tears when I am gone  
When I am gone

I've seen it all on TV screens  
But this is not a movie scene  
I held my head high and left the embassy  
Wish they'd believe, wish they'd believe

I wanna know  
If there's a place where I belong  
I wanna know  
Don't shed your tears when I am gone  
When I am gone

When I am gone
