

# Home Again

Alexx Calise

Mmm-mm

Standing here out in the cold  
Searching for a sign of hope  
Life was simple, we once had it all

Through the storm and times of trouble  
We can rise or we can crumble  
We'll make something out of nothingness

No, it's  
No, it's not over  
I need a shoulder  
To carry on  
'Til I am home again

Won't be  
Won't be much longer  
For I'm much stronger  
'Til this place feels just like home again

Wounds will heal  
That part I know  
Hurt can only last for so long  
It's not over, it's only begun

So many nights that I cried myself to sleep  
It's so hard to find good in anything  
We're shaped by our pain  
Yeah, every day  
A test of strength

No, it's  
No, it's not over  
I need a shoulder  
To carry on  
'Til I am home again

Won't be  
Won't be much longer  
For I'm much stronger  
'Til this place feels just like home again

Life will go on  
It's not the end of the road  
Yeah, it's up to us where to go

Morning will soon come  
Dark will be forgot  
Clouds will part  
And we'll start again because that's who we are

No, it's  
No, it's not over  
I need a shoulder  
To carry on  
'Til I am home again

Won't be  
Won't be much longer  
Before I'm much stronger  
'Til this place feels just like my home again  
Home again,  
Life will go on

Mmm-mm

Standing here out in the cold  
Searching for a sign of hope  
I think I've found my place  
Now I am home again
