

# Careless

Alexz Johnson

Really is so bad  
Really is so bad  
Was the best time in my life  
With you I won't think twice

You gave it up so quick  
You gave it up so quick  
Never thought it would come to this  
Never thought it would come to this

Someone tell me that my heart is lead  
Ooh, bullets made of dread  
My heart is lead  
Ooh, shot down, bang, I'm dead

Sand beneath my feet  
Did I always miss this heat?  
I was blinded by my youth  
For that I blame you

Ships and postal slips  
Ooh, little poker chips  
I see through rose and glass  
Someone kick me in the ass

Someone tell me that my heart is lead  
Ooh, bullets made of dread  
My heart is lead  
Ooh, shot down, bang, I'm dead

I'm dead  
I'm dead  
Hm, I'm dead  
I'm dead

2, 3  
I got no back bone  
I swore myself I'd leave myself alone, yeah  
I got no back bone  
I swore myself I'd leave myself alone  
I got no back bone  
I swore myself I'd leave myself alone

Careless to the bone  
Careless to the bone  
Some redemption of my own  
Some redemption of my own
