

# Diametrical

Alexz Johnson

Give, get, bend, break, why fight, live, die  
Hope lost, can't take, hold on, mistake  
In, out, sin, faith, lost, won, ground, sun  
No sound, don't wait, crazy mad, still awake

Too bright, no light, sack seat, knees weak  
Sing, quiet, truth, lie, accusation, justify  
Laugh, fly, hate, heal, black eyes, once, twice  
Fake, real, stand, kneel, tound peg, square wheel

If you want it all, diametrical  
It's antithetical and diabolical  
Don't be cynical, it's non-negotiable  
So symmetrical and yet emotional, diametrical

If you want it all  
Diametrical  
Diametrical

Gold, greed, rose, weed, win, lose, kiss, bruise  
Stay, leave, speak, breathe, let go, hold me  
Light, weight, fear, faith, long road, quick chase  
Strong, soft, weak, brave, stay still, run away

If you want it all, diametrical  
It's antithetical and diabolical  
Don't be cynical, it's non-negotiable  
So symmetrical and yet emotional, diametrical

If you want it all  
Diametrical  
Diametrical

It's the fear of failure  
That keeps us moving forward  
Let me be your jailer  
You're stronger when you're cornered

If you want it all, diametrical  
It's antithetical and diabolical  
Don't be cynical, it's non-negotiable  
So symmetrical and yet emotional

If you want it all, diametrical  
It's antithetical and diabolical  
Don't be cynical, it's non-negotiable  
So symmetrical and yet emotional, diametrical  
Diametrical

If you want it all
