

Easy Ain't Sleazy

Alexz Johnson

Oh, must've been wrong
Been scattin' along
Under the lights 'til the crack of dawn
Never was right, I'm usually tight
Under the lights past three at night

Easy, easy when you kiss me
Counting the shots
And buying another round
Ooh wee, easy isn't sleazy
Living it ups
Not bringing a lady down, yeah
Ooh-da-da-da-da, yeah

Oh, up in the room, Saturday afternoon
The farther from home the slower I move
Up from a crash, now under attack
It's hard to fight back
When I could really give a

Easy, easy when you kiss me
Counting the shots
And buying another round
Oh wee, easy isn't sleazy
Living it ups
Not bringing a lady down
Da, da, da, da, da, da
Down, yeah

Easy, easy, easy
Easy, easy, easy
Easy, easy, easy
Easy, easy, easy
Easy, easy, easy
Easy, easy, easy
(The girl is easy)
Easy, easy, easy
(The girl is easy)
Easy, easy, eas...
(The girl is easy)

Easy
Easy when you kiss me
Counting the shots
And buying another round
Ooh wee, easy isn't sleazy
Living it ups
Not bringing a lady down (yeah)
Easy, easy when you kiss me
Easy, easy when you kiss me
Ooh wee, easy isn't sleazy
Easy, easy when you kiss me
