I Just Wanted Your Love

Alexz Johnson

You got time If time is what you needed You're not mine I rather not believe you're fine Rather think you're up all night You're alright You knew me when you met me Let's not fight I'm just a little feisty Maybe, maybe I would lose my mind I don't wanna Let you go away I don't wanna Let you go Boy, I just wanted your love I just need a bit of your love I just wanted your love I don't wanna Let you go You got steam Wheels are turning It's just me I'm crashing and I'm burning out Shouldn't we be making out? You got guts Guts is what I need now I don't mind Starting to believe it's over Tell her "I loathe her" I don't wanna Let you go away Boy, i just wanted your love I just need a bit of your love I just wanted your love I don't wanna Let you go Ha! Letting you go Yea yea oh I don't wanna Let you go away

I don't wanna Let you go I just wanted your love Bit of your love I just wanted your love I don't wanna

Let you go
