

Mary

Alexz Johnson

Mary doesn't like nobody
She a real sad case
See Mary's like her lucky charms
Ya Mary doesn't know her place

The girl can't sleep
That Mary she can be real weak
She's got a heart of gold
But Mary thinks she's getting old

See Mary doesn't know somebody
Loves her more than life itself
She doesn't know somebody
Keeps a picture of her on their shelf

Mary doesn't know somebody
See's her eyes and begins to melt
Mary we'll wait
It's not too late

She doesn't know what she's missing
All the boys she'd be kissing
But she's deep in her head
C'mon Mary get your ass out of bed

I know I've read it in a story
But Mary never seems to bore me
She doesn't want to belong
Her mission is to prove you wrong

Mary will come back someday
She'll find a way
There will come a day, I know
Mary will know what to do
She's breaking through
