

No Shame

Alexz Johnson

I'm losing my mind and I don't really have a reason
You've been taking your time and I need something to believe in

But I'm into you, you're into me
Don't have to be, anymore than, a Sunday morning

Cause I know you're back in town somewhere
I heard it through the grapevine that you're there
Let's throw away our money and our fear, oh my dear

Let's get light on a Friday night
Hear you're looking good and you feel alright
There is nothing about that I would change
Oh, oh, no shame

I don't need to sleep, with all these colours that I'm seeing
I'm light on my feet and I think I know the reason

So why don't you do you?
And I'll do me
Don't have to be, anymore than, a Sunday morning

Cause I know you're back in town somewhere
I heard it through the grapevine that you're there
Let's throw away our money and our fear, oh my dear

Let's get light on a Friday night (can you find it, find it)
Hear you're looking good and you feel alright (and you want it, want it)
There is nothing about that I would change (find it, find it)
Oh, oh, no shame

Gotta believe, I'll find it
Sunday morning's gonna come
Sunday morning's gonna come
It's gonna come, oh oh

Cause I know you're back in town somewhere
I heard it through the grapevine that you're there (I heard it through the grapevine)
Let's throw away our money and our fear, oh my dear

Let's get light on a Friday night (can you find it, find it)
Hear you're looking good and you feel alright (and you want it, want it)
There is nothing about that I would change (find it, find it)
Oh, oh, no shame

It's nothing more than, a Sunday morning
(It's nothing more than Sunday, baby)
A Sunday morning, a Sunday morning, a Sunday morning
