

Shake It Off

Alexz Johnson

Sorry I left you at the altar
Or for flirting with your father
Sorry I ever even bothered
Shake, shake shake it off

Sorry I didn't like your mother
Maybe I never should have shot her
Oh, why don't you put me under water
Shake, shake, shake it off

Guess you didn't see the warning
I guess you did not see that big red light
Oh my lord is almost morning
Bang bang bang bang
And another one falls

Baby honestly I'm sorry
But you are the ending to my story
Ohh, did you really think you'd ever stop me?
Shake, shake, shake it off

Too late you're standing in my doorway
Too bad it had to happen this way
Bad luck it had to be a sunday
Ohh shake, shake shake it off

Guess you didn't see the warning
I guess you did not see that big red light
Oh my lord is almost morning
Bang bang bang bang
And another one falls

I'm losing my mind
I'm losing my mind
I'm losing my mind
Losing my mind

Guess you didn't see the warning
I guess you did not see that big red light
Oh my lord is almost morning
Bang bang bang bang
And another one falls (2x)
