

# Veins

Alexz Johnson

Walking through the streets tonight  
The pavements lit and full of light  
I'm blind from sorrow  
I've settled the fight

Feeling water kiss my face  
The rain has such a warm embrace  
I feel the stitching, become my own lace

And if I slip and fall, if I forget it all  
I'll still have you in my veins  
And if it gets too strange  
When my whole world's insane  
I'll still have you in my veins  
I got you flowing through my veins

Standing by your leafless tree  
I feel its roots beneath my feet  
I see tomorrow right in front of me  
Ooh, yeah

And if I slip and fall (if I slip and fall)  
If I forget it all (if I forget it)  
I'll still have you in my veins (ooh)  
And if it gets too strange  
When my whole world's insane  
I'll still have you (oh-ooh)  
I'll have you in my veins  
I've got you flowing through my veins

Yeah, yeah (oh, oh)  
Na, na, na, na, yea-yeah  
I'll have you in my veins  
Ooh-ooh

And if it gets too strange  
When my whole world's insane  
I'll still have you in my veins  
I've got you flowing through my veins
