

When's It Gonna Come?

Alexz Johnson

Suddenly I am alone
Oh my God, where did I go
Suddenly I'm missing home
Can you hear me

Get my bottle in the sea
Cause it would mean a lot to me
If you could come and help me out
Can you hear me
Can you hear me
Cause I hope you're not too long
Can you help me

Barely holding on
This is not the way it's meant to be
Barely holding on
Hoping that someone would grab me
Barely holding on
There's gotta be a safer day to run
So when's it gonna come

Wasn't meant to be like this
Thought I was a pilot
That I was on top of it
Can you see me
Can you see me
Cause I've not been so brave
Can you save me

Barely holding on
This is not the way it's meant to be
Barely holding on
Hoping that someone would grab me
Barely holding on
There's gotta be a safer day to run
So when's it gonna come

No, when's it gonna come

Can you hear me
Cause I hope you're not too long
Can you hear me
So come and save me

Barely holding on
This is not the way it's meant to be
Barely holding on
Hoping that someone would grab me, no
Barely holding on
There's gotta be a safer day to run
Ooh, so when's it gonna come, ha

Ooh, when's it gonna come
Ooh, tell me when's it gonna come
When's it gonna come
When's it gonna come, ha
So tell me, when's it gonna come

Ooh, so tell me
When's it gonna come
So tell me, when's it gonna come
