

A Western

Alfie Templeman

You're so good at making enemies
Type of guy that does just as they please
Your best friend is John F Kennedy
Do you remember me?

Shooting me down
Like a western
No one around
Keep on guessing
Days that I'm lost
You are nowhere
Like a western

Can't take no as an answer
Your favourite song is tiny dancer
You think that you're the king of banter

Shooting me down
Like a western
No one around
Keep on guessing
Days that I'm lost
You are nowhere
Like a western

Like a western
Keep on guessing
You are nowhere
Like a western

Shooting me down
Like a western
No one around
Keep on guessing
You are nowhere
No one around
Like a western
