

Pink Lemonade

Alfie Templeman

Pink lemonade
Look at what we've made
How much have we changed
Little time

You were made for me
As far as I can see

Pink lemonade
Look at what we've made
Missing the date
We were free

Pink lemonade
Look at what we've made
Will it all go or stay?
You were made for me
As far as I can see, oh oh

Pink lemonade
Look at what we've made
Pink lemonade
What we've made
Pink lemonade
What we've made
Pink lemonade
