

We're Always On The Same Path

Alfie Templeman

It ain't easy being me
Not as far as I can see
I'm always on the same path
My love, it never ever lasts

Oh darling, can't you see?
You've never had a man like me
I'll be there for you, whenever you please

Oh darling, don't you cry
Not all the good memories have passed by
I'll be there for you, whenever you please

It ain't easy being me
Not as far as I can see
I'm always on the same path
My love, it never ever lasts
