

A Good Man

Algiers

...One for the treble
Two for the time...

What can I do? Are you all right?
There are so many shadows that I can't sleep at night
No, no, non, nein, no, no, not I
What can I do now to make this all right?

Am I a good man?
(No no no no)
Am I a good man?
(No no no no)

My tie is blue and my shirt is white
Let's cut the hierarchy down to size
Not like my father, look into my eyes
My P.O.C. friend can testify

Am I a good man?
(No no no no)
Am I a good man?
(No no no no)

I see you've seen me show myself online
Spit at the pigs on the picket line
My male aggression always justified
Trust me, you're safer on the passenger side

Am I a good man?
(No no no no)
Am I a good man?
(No no no no)
Am I a fool?
What can I do?

What can I do? Are you all right?
There so many shadows that I can't sleep at night
No, no, non, nein, no, no, not I
What can I do now to make this all right?

Am I a good man?
(No no no no)
Am I a good man?
(No no no no)
Am I a good man?
Am I a good man?
Am I a good man?
Am I a good man?
