

## Losing Is Ours

Algiers

Let the sirens sing out their nightmare  
They'll be too in denial to know  
Let the bow break and all the cards fall over  
They'll be too in denial to know

It's peace of mind  
It's peace of mind

My baby, hold onto the cards  
We'll take the whole world with us  
My baby, hold steady, don't fall  
We'll take it all or nothing at all  
All or nothing at all

[?] screaming  
Don't go to [?], honey, woo!

Let the night bring an intruder  
They'll be too in denial to know  
But they force it with their smokescreens up  
'Cause they'll be too in denial to know  
(Know what I'm saying?)

It's peace of mind  
It's peace of mind

Now, baby, hold onto your cards  
We'll take the whole world with us  
My baby, hold steady, don't fall  
We'll take it all or nothing, hey  
My baby, hold onto your cards  
We'll take the whole world with us  
My baby, hold steady, don't fall  
We'll take it all or nothing at all
