

Something Wrong

Algiers

Did I do something wrong?
Yeah, I was raised here
No sir, the car's a loan
No sir, it's not in gear

I was just going home
Yeah, it's my final year
Did I do something wrong?
No sir, it's still not clear

They say I'm well spoken
And I can run the ball
And I'm exceptional
No, no, no
No drugs or alcohol

My cousin's on the force
My church is on the hill
I walk the line of course
I never cheat or steal
Did I do something wrong?

Grab his arm
Step out and face away
What are you on tonight?
On the sidewalk!
Turn him around and roll
Him over on his side
What you on tonight?
Huh?
Huh?

[illegible]

Boy, don't fight back
Boy, your ass is mine now
Boy, don't fight back
