

# Flex

Ali Campbell

I love the way you flex  
I like the way you stay  
Never know whats coming next  
When your coming to play  
But I'm willing to bet  
Go as far as to say  
Hey Hey Hey

You keep coming back  
Coz you can't keep away  
You Can't keep it up  
You Can't keep it down  
You can't disguise the way you feel  
When I am around  
I can't walk away  
I can't concentrate  
I can't imagine you and me  
Not staying up late

I love the way you flex  
I like the way you stay  
Never know whats coming next  
When your coming to play  
But I'm willing to bet  
Go as far as to say  
Yeah Yeah Yeah

You keep coming back  
Coz you can't keep away  
You know what I mean  
You know what I say  
You get where I'm coming from  
When I go away  
We just get it on  
We just burnin bright  
We just stick together  
Everything is alright

I love the way you flex  
I like the way you stay  
Never know whats coming next  
When your coming to play  
But I'm willing to bet  
Go as far as to say  
Yeah Yeah Yeah

You keep coming back  
Coz you can't keep away  
I've gotta move on  
I gotta get rest  
I gotta let you know  
Exactly just how I flex  
You see that I'm here  
You see I'm not there  
You see to me when  
I pretend that I don't really care

I love the way you flex  
I like the way you stay  
Never know whats coming next  
When your coming to play  
But I'm willing to bet  
Go as far as to say  
Yeah Yeah Yeah  
You keep coming back  
Coz you can't keep away  
You keep coming back  
You keep comin back  
You keep comin back  
Coz you can't keep away
