

## Let Your Yeah Be Yeah

Ali Campbell

You keep telling me yeah, babe, but you don't mean it  
You keep telling me no and tryin' to leave it  
You giving me buts and maybes  
You know that this is driving me crazy  
Why can't you tell it like it is?

Let your yeah be yeah and your no be no now, darling  
Let your yeah be yeah and your no be no now, darling  
Because I'm on my guard and I'm watching you from head to toe, you know  
Let your yeah be yeah and your no be no

You wear a plastic smile I know by your eyes  
You speak with a definite style, you're telling me lies  
You've got to face reality  
What is wrong with you and me?  
Why can't you take your honesty?

Let your yeah be yeah and your no be no now, darling  
Let your yeah be yeah and your no be no now, darling  
Because I'm on my guard and I'm watching you from head to toe, you know  
Let your yeah be yeah and your no be no

You've got to face reality  
What is wrong with you and me?  
Why can't you take your honesty?

Let your yeah be yeah and your no be no now, darling  
Let your yeah be yeah and your no be no now, darling  
Because I'm on my guard and I'm watching you from head to toe, you know  
Let your yeah be yeah and your no be no

Let your yeah be yeah and your no be no now, darling  
Let your yeah be yeah and your no be no now, darling  
Because I'm on my guard and I'm watching you from head to toe, you know  
Let your yeah be yeah and your no be no

Let your yeah be yeah and your no be no now, darling  
Let your yeah be yeah and your no be no now, darling  
Because I'm on my guard and I'm watching you from head to toe, you know  
Let your yeah be yeah and your no be no

Let your yeah be yeah and your no be no now, darling  
Let your yeah be yeah and your no be no now, darling  
Because I'm on my guard and I'm watching you from head to toe, you know
