

# Pull Up

Ali Gatie

Ain't sleepin' on you  
Heard your track and now I'm snoring  
Talk about the game  
But you stay rappin' boring  
Pull up in that Benz  
I pull up in that Foreign  
I pull up with yo bae  
'Cause she say that she want it

Ain't sleepin' on you  
Heard your track and now I'm snoring  
Talk about the game  
But you stay rappin' boring  
Pull up in that Benz  
I pull up in that Foreign  
I pull up with yo bae  
'Cause she say that she want it

Yeah, I pull up with my crew  
The money divided by two  
And if I don't pull in the Benz  
Then I'm-a pull up in the cool  
Yeah, when even I ain't got no whip  
It don't mean I can't even move  
'Cause I still pull up with your chick  
And she never talkin' the truth, ah  
I guess that she get that from you, ah  
I think that she think that shit cool, ah, ah  
Now she pull up with friends  
And they know the things that we do. yeah  
I'm-a just go to the stu, ah  
I'm-a just do what I do  
You be talkin' a lot, yeah  
You talk like a fool  
And you talkin' a lot, but who talkin' to you  
Why you talkin' to me  
Everything you wanna be  
I was always gettin' A's  
So smart I ain't got a degree  
Flow like a butterfly  
Sting like a bee  
You be stuck  
On the G, stay stuck  
Like a flea  
Flow nice like a river  
Make you shiver  
Like to see these balls  
I deliver like a brother tryna eat yo girl  
At the telly say she weak at her knees  
While she rubbin' on my belly  
Tellin' me she want the D, ha, ha, ha, ha

I'm-a do my thing to the top, top, top  
And once I done started never stop, stop, stop  
Yo girl in the DM's, I'm-a drop, drop, drop  
Yeah, you wanna live like me, I never swap, swap, swap  
Take yo girl to the mall, we gon' shop, shop, shop

Now she back to the telly runnin' talk, talk, talk  
Why you always tryna talk, you talk a lot, lot, lot  
Always hypin', never show what you got, got, got

Ain't sleepin' on you  
Heard your track and now I'm snoring  
Talk about the game  
But you stay rappin' boring  
Pull up in that Benz  
I pull up in that Foreign  
I pull up with yo bae  
'Cause she say that she want it

Ain't sleepin' on you  
Heard your track and now I'm snoring  
Talk about the game  
But you stay rappin' boring  
Pull up in that Benz  
I pull up in that Foreign  
I pull up with yo bae  
'Cause she say that she want it
