

Lohan Holiday

Ali Lohan

Let me take you on a Lohan holiday
winter wonderland thats so so far away
dont have to go no where just let your mind escape
come ona journey to this Lohan holiday

Magic within magic christmas land
Fictional Journey vision so real (so real)
everybody's smile wont you come for a while
dont go in a hurry come with me youll see

Imagitation is all you really need
So let me take you on a Lohan holiday
Ill take you to a place thats so so far away
dont have to go no where just let your mind escape
come on a vouage to a Lohan holiday

Such a magical ride so come on and jump inside
A great destination for everyone to see
thonders in the air cant wait till we see you there
magical moments that you have only dreamed

All you have to do is just believe
And then ill take you on a Lohan holiday
A winter special place thats so so far away
Dont have to go no where just let your mind escape
Your more than welcome to a Lohan holiday

A christmas fantasy (fantasy) its meant for you and me
Where everything youll ever want is for free (is for free)
ree)

Just believe (take you there)
and ill take you on a Lohan holiday
A very special place thats so so far away
Dont have to go no where just let your mind escape
Your more then welcome to a Lohan holiday

Come let me take you on a Lohan holiday
A winter wonderland thats so so far away
Dont have to go no where just let your mind escape
I can take you so far away
