Fix This

Alice Chater

We never talk about it when we're sober
Always find excuses when I try to hold ya
Lately, you been acting so much colder
Every day, we talk, but are we any closer?

You think I'm out my mind
Say it's a waste of time
I think we should work it out

Are we gonna try to fix this? Ooh, oh
Are gonna try to fix this? Ooh
We keep saying that we will, but we don't
Do you think that we're too far gone?
Are we gonna try to fix this?
Fix this

Don't know what I would do if we were over
Now I can't find my way to you under the covers
You kiss me and it feels like I don't know ya
And I don't know what I could be with any other

You think I'm out my mind
Say it's a waste of time
I think we should work it out

Are we gonna try to fix this? Ooh, oh
Are gonna try to fix this? Ooh
We keep saying that we will, but we don't
Do you think that we're too far gone?
Are we gonna try to fix this?
Try to fix this

Don't let me go down, don't let me go
I thought we had it right, maybe we got it wrong
I know that we got something 'cause it's been so long
Sometimes, it's so good, baby, don't go

Are we gonna try to fix this? Ooh, oh
Are gonna try to fix this? Ooh
We keep saying that we will, but we don't (No, we don't)
Do you think that we're too far gone?
Are we gonna try to fix this?
Fix this

(Are we gonna? Ooh, oh)
Are we gonna try to fix this?
Fix this
