

Black Mamba

Alice Cooper

I think I'll hide inside your bed sheets
Coiled into the folds so white
I'll just watch you while you're sleeping, darling
And decide if I should bite

I'm so beautiful to look at
But oh, so dangerous to touch
You're just a slave to temptation, baby
Perhaps you want me much too much

I think I'll hide inside your bed sheets
Coiled into the folds so white
I'll just watch you while you're sleeping, baby
And decide if I should bite

Ya ya ya ya ya ya ya ya
Ya ya ya ya ya ya ya
Ya ya ya ya ya ya ya ya
Ya ya ya ya ya

Come a little closer, darlin'
Look into my eyes
I ain't domesticated
I'm not that civilized

I'm crawling up your leg now, baby
To hiss-per in your ear
A little poison lie now, baby
You've got nothing to fear

Ya ya ya ya ya ya ya ya
Ya ya ya ya ya ya ya
Ya ya ya ya ya ya ya ya
Ya ya ya ya ya

I love your touch now, baby
I love to feel your skin
I wanna slide inside and hide
Before I do you in

Black Mamba slides
Black Mamba sways
A word to the wise now, baby
You better get out of my way

Black Mamba slides
Black Mamba sways
A word to the wise now, baby
You better get out of my way

Ya ya ya ya ya ya ya ya
Ya ya ya ya ya ya ya
Ya ya ya ya ya ya ya ya
Ya ya ya ya ya
