Magic Bus

Alice Cooper

Every day I get in the queue (too much, magic bus)
To get on the bus that takes me to you (too much, magic bus)

I'm so nervous, sit and smile (too much, magic bus)
Your house is only another mile (too much, magic bus)

Thank you, driver, for getting me here (too much, magic bus)
I'm gonna buy you a case of beer (too much, magic bus)

No, I don't want to cause no fuss (too much, magic bus)
But can I buy your magic bus? (too much, magic bus)

I want it, I want it, I want it, I want it ... (you can't have it!)

I don't care how much I pay (too much, magic bus)
I wanna drive my bus to my baby each day (too much, magic bus)

Every day you'll see the dust (too much, magic bus)
As I drive my baby in my magic bus (too much, magic bus)

Magic bus, magic bus, magic bus

I got it, I got it...got it, I got it...got it, I got it

Too much, magic bus, too much, magic bus, too much, magic bus
