

# Woman of Mass Distraction

Alice Cooper

I'm a shock-rock romeo  
I like to leave 'em shattered  
Oh, I can love 'em and leave 'em  
It doesn't really matter

I never met my match  
Until I met that lady  
She hooked me  
She cooked me  
She practically filleted me

Some girls try and get you in bed  
Some girls are like a kick in the head  
Some girls make you wish you were dead  
Some girls make you blue when you should be seeing red

[Chorus]  
She's a woman  
Some kind of woman  
I got a woman  
A woman of mass distraction

The first time I saw her  
She said she wants to date me  
The next time I come back she tried to castrate me

Some girls try and get you in bed  
Some girls are like a kick in the head  
Some girls make you wish you were dead  
Some girls make you blue when you should be seeing red

[Chorus]

She's a woman  
Some kind of woman  
I got a woman  
She's a woman  
She's a woman  
Some kind of woman  
She's a woman  
Some kind of woman
