

# Burlesque

Alice Donut

My darling sweetness  
Burlesque and lewd  
You make me feel barbaric, filthy, rude  
You're churning deep inside my heart  
You're an opera  
I want to commit acts with you  
I want to commit acts  
And sing Aida  
Sing Aida like Placido  
I want to dig up corpses  
From the awful past  
I want a psychotic meta-f\*\*k  
With your finger in my ass

Mardi Gras  
Gas pump

You're a bed of roses  
You're a symphony  
You're the book of Moses  
In hyperversity  
You're a circus exploiter  
And I'm an idiot savant  
Sell me at an auction  
Display my ugly sex  
On a billboard in Times Square  
I want to dig up corpses  
I want to commit acts  
I want a psychotic meta-f\*\*k  
With your finger in my ass
