Cain

Alice Donut

Guess you heard About the incident At the High School It's unfortunate

Out by Nag's Head Diamond Marsh They say the body Was found in parts You need good friends Times like these My heart's bleeding For the Family

Good to meet ya You can call me Cain Good old comfort In the pouring rain

Yeah good to meet ya You can call me Cain My heart's bleeding From all the pain

You're a good egg I can tell Gonna get to know ya Real well
