

## Cost

Alice Donut

Have you thought of the cost?  
Is the thought of it pissing you off?  
Has it kept you at night, thinking of the price?  
Have you thought of the cost?  
Have you thought of the price?  
Is it keeping you up at night?  
Have you thought of the cost everything you lost?  
Have you thought of the price?  
Are you ready to shop?  
Is the thought of it getting you off?  
Everything under sky is something for you to buy  
Are you ready to shop?
