

I Can't Have You Blues

Alice In Chains

I can't have you blues

I got the I can't have you, I can't have you blues
I can't have you, I can't have you blues
I can't have you, I can't have you...

Nothings the same, need my fix of you
A crack in the mirror, pictures split in two
I can't believe you slipped away
I been drinking too much cause I'm trying to forget your face
And if I always try to do, all the things you want me to
I've been letting myself down to an early grave
And if I always try to do, all the things you want me to
I've been letting myself down to an early grave

Nothing stays the same, in this game
I can't have you, I can't have you blues
I can't have you, I can't have you...

Nothings the same, need my fix of you
A crack in the mirror, pictures blank too
I can't believe you slipped away
I been drinking too much cause I'm trying to forget your face
And if I always try to do, all the things you want me to
I've been letting myself down to an early grave

Nothing stays the same, in this game
I can't have you, I can't have you blues
I can't have you, I can't have you blues
I can't have you, I can't have you blues
I can't have you, I can't have you blues
