Lessons Learned

Alice In Chains

Just another lesson learned
Wear a scar, a bore repeating
Take a simple fateful turn
Opened up to stop the bleeding

Feeling like you never could
Been the disconnected frying
Hit the vein & struck nerve
Seeing through a self that's blinding

(Nowhere to buy in)
(Most of us hiding)
(Others are shining)

Just another brick you toss
Stone the number one deceiver
Multiply the added cost
Easy to become a believer

Feeling like you never could
Been the disconnected frying
Hit the vein & struck a nerve
Seeing through a self that's blinding

(Nowhere to buy in)
(Most of us hiding)
(Others are shining)

You know when you find it
In your darkest hour, you strike gold
A thought clicks, not the be-all end-all

You know when you find it
In your darkest hour, you strike gold
A thought clicks, not the be-all end-all

Just another lesson learned...

You know when you find it
In your darkest hour, you strike gold
A thought clicks, not the be-all end-all

You know when you find it
In your darkest hour, you strike gold
A thought clicks, not the be-all end-all

Just another lesson learned... Yeah

Just another lesson learned...
