

Love Song

Alice In Chains

Love song take one

I love you, I'm not coming back bitch

I think I should say something

I can't see, I can't feel anything, I can't I can't

Wash my face, cut out my teeth and tell me to grin
MY GUMS ARE BLEEDING! MY GUMS ARE BLEEDING!

I hate you, I hate you

Get a fucking haircut!

Go fuck yourself

Rae Dong Chung [5x]

Get something, get, get them, get them

Get them, get the fuckin' midget

Get the midget [2x]

Get the fuckin midget

Kiss the fuckin' midget

"Where the deer and antelope play..."

Kiss the midget [4x]

"That was perfect, you guys, that was great!"
