Badboy

Alice in Videoland

Kiss me, kick me, anyway you want it
Just don't leave me hanging on
Smack me, slap me, anyway you like it
Just don't leave it up to me
Please me, tease me, satisfy my needs
Your passion has me hypnotized
Feel me, heal me, wanna see the real me?
Dance until you're paralyzed

You're a bad boy, I'm a dirty girl x4
You're a bad boy, bad bad boy

Kiss me, kick me, anyway you want it
Just don't leave me hanging on
Smack me, slap me, anyway you like it
Just don't leave it up to me
Please me, tease me, satisfy my needs
Your passion has me hypnotized
Feel me, heal me, wanna see the real me?
Dance until you're paralyzed

You're a bad boy, I'm a dirty girl x4
You're a bad boy, bad bad boy

Just don't leave it up to me

Show me, all over me
Lay with me, turn me on
Stay with me, all night long x2
