Alice in Videoland

Imma tell you something you already know
You can treat me like your bitch; I'm not that, no
You can take your shit and leave, I'll be just fine
If you think you can't come back, you've lost your mind
I know you want me, but that's a no
So get up and leave
Oh yeah, you have to go
I know you want me, but that's a no
So get up and leave
Oh yeah, you have to go

Yo, you wanna grab my butt
Go ahead, go, let's grab my butt
Yo, you wanna grab my tits
Smack me, show me, grab my shit
Yo, you wanna have some fun
Kiss me, kiss me, show me some
Yo, Imma let you do what you want
Imma let you do what you want

Yo, grab my butt
Yo, grab my tits
Yo, have some fun
Yo, Imma let you do what you want
Imma let you do what you want

See me sexy standing in the room we own
Looking at you, knowing that you want me so
But even if you beg I'll never say you're mine
So can you leave my life? I'll ask you one more time
I know you want me, but that's a no
So get up and leave
Oh yeah, you have to go
I know you want me, but that's a no
So get up and leave
Oh yeah, you have to go

Yo, you wanna grab my butt
Go ahead, go, let's grab my butt
Yo, you wanna grab my tits
Smack me, show me, grab my shit
Yo, you wanna have some fun
Kiss me, kiss me, show me some
Yo, imma let you do what you want,
Imma let you do what you want

Yo, grab my butt
Yo, grab my tits
Yo, have some fun
Yo, imma let you do what you want
Imma let you do what you want

I know you want me
So get up and leave
Oh yeah, you have to go
I know you want me
So get up and leave

Oh yeah, you have to go

Yo, you wanna grab my butt
Go ahead, go, let's grab my butt
Yo, you wanna grab my tits
Smack me, show me, grab my shit
Yo, you wanna have some fun
Kiss me, kiss me, show me some
Yo, imma let you do what you want
Imma let you do what you want

Yo, grab my butt
Yo, grab my tits
Yo, have some fun
Yo, imma let you do what you want
Imma let you do what you want

Yo, you wanna grab my butt
Go ahead, go, let's grab my butt
Yo, you wanna grab my tits
Smack me, show me, grab my shit
Yo, you wanna have some fun
Kiss me, kiss me, show me some
Yo, imma let you do what you want
Imma let you do what you want
