

# Homesick

Alice Merton

I was the new kid  
I was scared of dogs and the weather  
Never went on a field trip  
Scared I'd lose my mother and father

I was the new kid  
Didn't understand what's goin' on  
But I tried my best to fit in  
Started puttin' it in a song

No, I don't get homesick  
But I'm sick when I'm without you  
And I don't feel lonely  
I just wanna be alone with you

And I said I'd never write a love song  
'Cause they always end  
But you caught me off guard  
And I found a home again

No, I don't get homesick  
No, I don't feel lonely

I was the new kid  
I like to wear the same shirts again  
It reminded me where I've been  
All the places I've left my brothers

I was the new kid  
I never understood what's goin' on  
And I didn't know how to talk  
So I put it in a song

No, I don't get homesick  
But I'm sick when I'm without you  
And I don't feel lonely  
I just wanna be alone with you

And I said I'd never write a love song  
'Cause they always end  
But you caught me off guard  
And I found a home again

I don't feel alone  
I don't feel alone  
I don't feel alone-lone-lone-lone-lone-lone-lone-lone-lone  
I don't feel alone-lone-lone-lone-lone-lone-lone-lone-lone

Well, I was the new kid  
I was scared of dogs and the weather  
Never went on a field trip  
Scared I'd lose my mother and father

I was the new kid  
Didn't understand what's goin' on  
But I tried my best to fit in  
Started puttin' it in a song

No, I don't get homesick  
But I'm sick when I'm without you  
And I don't feel lonely  
I just wanna be alone with you

And I said I'd never write a love song  
'Cause they always end  
But you caught me off guard  
And I found a home again

No, I don't get homesick  
No, I don't, no, I don't  
No, I don't, no, I don't  
And I don't feel lonely  
I just wanna be alone with you

I don't feel alone-lone-lone-lone-lone-lone-lone-lone-lone  
(I don't feel, I don't feel, don't feel alone)  
I don't feel alone-lone-lone-lone-lone-lone-lone-lone-lone  
I don't feel alone
