

Learn to Live

Alice Merton

They've got fire
Well I've got lightning bolts
They keep hunting
Tryin' to kill my hope

And everywhere I go
I see them in the corner of my eye
Shoutin' that it's over
Shoutin' that I'd stop the fight

Can somebody tell me
How to win the fight?
Can somebody tell me
Is the fear inside?

I wanna learn how to live
Without the consequences
I wanna learn how to live
Without the consequences

Ooh, ooh, ooh, ooh
Ooh, ooh, ooh, ooh

Shakin' fingers
Chest gets tighter now
Try to stay calm
Try to come back down

But everywhere I go
I see them in the corner of my eye
Shoutin' that it's over
Sayin' I should stop the fight

Will somebody tell me
How to win the fight?
Can somebody tell me
Is the fear inside?

I wanna learn how to live
Without the consequences
I wanna learn how to live
Without the consequences

Ooh, ooh, ooh, ooh
Ooh, ooh, ooh, ooh

I wanna learn how to live (Ooh, ooh)
Without the consequences (Ooh, ooh)
I wanna learn how to live (Ooh, ooh)
Without the consequences (Ooh, ooh)

I can see them waitin'
Outside the window
Tryna tell me how to live
Oh, they won't go
I can see them waitin'
Outside the window

Tryna tell me how to live

Oh, they won't go

Oh, they won't go

Oh, they won't go

Oh, they won't go

Ooh, ooh, ooh, ooh

Ooh, ooh, ooh, ooh

I wanna learn how to live (Ooh, ooh)

Without the consequences (Ooh, ooh)

I wanna learn how to live (Ooh, ooh)

Without the consequences (Ooh, ooh)
