

# Only A Memory

Alice Peacock

Since you've been gone it only rains from my eyes  
No blue skies  
I'm not strong enough to take the pain  
It cuts so deep, I can't sleep  
The shirts in the closet still smell of you  
I don't know what I am supposed to do  
Now that you're gone away from me  
I am so blinded I can't see  
How I can get through this life without you  
When you're just a memory  
I think the weekends may be worst  
All that time, it's a curse  
I've saved your message on my phone  
Makes me feel not so all alone  
I pray to God that he will see me through  
And maybe in time I'll get over you

For once in my life  
I had a love  
The love of my dreams  
And that was enough
