

## Mind Reader

Alice Phoebe Lou

What am I supposed to do when you give me nothing?  
I can only try, but trying takes two  
You and I, we've been to many places together  
But I want you to take me with you

Through to the other side, don't let go of my hand  
I'm not taking chances, could you understand?  
I'm not a mind reader, but I will try for you  
I'm not a mind reader

There are so many choices we could've made  
But we chose each other, didn't we?  
If you let go of all your defenses  
Do you know how soft and strong that would be?

I am not immune to your charms  
They have made it hard to deal with all the tough stuff  
But take a look at how far we've come  
There's so much more to feel

Through to the other side, don't let go of my hand  
I'm not taking chances, you would understand  
I'm not a mind reader, but I will try for you  
I'm not a mind reader
