

With every step  
That you take, there's a risk  
That you'll change in a way  
That'll never be the same

But the worst advice  
That I've gotten from the world  
Was to never change  
I won't be staying the same

I will not change  
For the reasons you think  
In a blink of an eye  
I'll have metamorphosized

If you should see me  
As I sparkle in the night  
Don't be a fool, it's not for you  
It is for the divine

Trust when I say  
That I won't dim my light  
Not for anyone's gaze  
Not for anyone's spite

There was a time  
When I wanted to be invisible  
I didn't wanna be seen

I am more, I am more  
Than my shine, than my shine  
But this time, this time  
I will let it be mine

When the time comes  
I will not be so kind  
I will tell you to leave behind  
All that I've symbolized

If you should see me  
As I sparkle in the night  
Don't be a fool, it's not for you  
It is for the divine
