

Doesn't Mean Anything

Alicia Keys

Used to dream bout being a millionaire, without a care
But if I'm seeing my dreams and you aren't there
Cause it's over, that just won't be fair, darling
Rather be a poor woman living on the street, no food to eat
Cause I don't want nobody if I have it cry
Cause it's over when you say goodbye

All at once, I had it all
But it doesn't mean anything now that you're gone
From above, seems I had it all
But it doesn't mean anything since you're gone

Now I see myself through different eyes, it's no surprise
Being alone would make you realize
When it's over, all in love is fair
I shoulda been there, I should been there, I shoulda shoulda

All at once, I had it all
But it doesn't mean anything now that you're gone
From above, seems I had it all
But it doesn't mean anything since you're gone

I know I push you away
What can I do that will say how I love
Take these material things
They don't mean nothing
It's you that I want

All at once, I had it all
But it doesn't mean anything now that you're gone
From above, seems I had it all
But it doesn't mean anything since you're gone
(I shoulda been there, I should been there, I shoulda shoulda)

All at once, I had it all
But it doesn't mean anything now that you're gone
From above, seems I had it all
But it doesn't mean anything since you're gone
