

## Listen to Your Heart

Alicia Keys

He says, have no fear  
Open up, let me in  
He says, take a chance  
Here's your song, time to dance

What you gonna do, when it comes for you

Listen to your heart  
You gotta listen, to your heart  
Listen to your heart  
Why don't you listen to your heart

He says, here's your sky, don't look down  
We can fly  
You say, you little biscuit  
Just hold on, almost there

What you gonna do, when it comes for you

Listen to your heart  
You gotta listen, to your heart  
Listen to your heart  
Why don't you listen to your heart

You never know until you try  
Why so scared, when hearts don't lie  
Turn off the world, and close your eyes  
Lose yourself, and

Listen to your heart  
You gotta listen, to your heart  
Listen to your heart  
Why don't you listen to your heart

You know what to do when it comes for you

You gotta listen baby  
Gotta listen baby gotta listen baby  
Gotta listen to it  
How can you hear it  
Gotta listen baby
