Alicia Keys

[Alicia]

Hey yo B

[Beyonce]

What up A

[Alicia]

What we want?

[Beyonce]

Want them to say

R: Say you love me, say you love me

Then put it in a love song (Put it in a love song)

Say you need me, say you need me

Then write it in a letter for me (Oh oh oh)

Say you want me, say you want me

Then text me on the cell phone (Text me on my cell phone)

Say you love me, say you love me

Then put me in a love song (Oh)

[Alicia]

If you say you want me, yeah,

You say you want me

If you do the right thing, we can be together

I'm not easy, yeah, you gotta work for it

I'm the real thing, yeah, you gotta please me

All that talk, and boy you better walk it

All that front and thats not how you do it

If you really need me like you say you need me

Baby better show me, baby better come and say

R: Say you love me, say you love me...

[Beyonce]

What you gonna do when somebody commences

Believe that he can do it better

Send me gifts and show me the romance

All this this and that, can you do better?

All I'm saying is love is what I'm looking for

If you wanna keep me, baby gotta love me more

If you really want me, like you say you want me

If you really need me, baby better come and say

R: Say you love me, Say you love me...

[Alicia]

Gotta work it baby, work it out

If you want me baby, work it out

If you need me baby, work it out

Gotta work it out, work it out

[Beyonce]

If you love me baby, work it out

Gotta work it baby, work it out

If you want me baby, work it out

Gotta work it out, gotta work it out

[Alicia]

If you want me love and all my time

Part of my plans and part of my mind
[Beyonce]
All of the things that you wanna do
But make sure your love for me's true to you
[Alicia]
If you show me baby believe
[Beyonce]
So many possibilities
[Alicia]
We can look to infinity
[Alicia & Beyonce]
If you wanna be with me

R: Say you love me, say you love me...

[Alicia]
Gotta work it baby, work it out
If you want me baby, work it out
If you need me baby, work it out
Gotta work it out, work it out
[Beyonce]
If you love me baby, work it out
Gotta work it baby, work it out
If you want me baby, work it out
Gotta work it out, gotta work it out
