

Repeat Defender

Alien Ant Farm

Impossible
Got stuck in the memories
It's logical
To cut all this strings

I left my songs in your car
And now your singing sorrow
It's an excuse to call
And I'll pick them up tomorrow

And when I pick them up this time
And I'm finally feeling fine
Never end repeat defend
Won't make the same mistakes again
Won't fall into those traps I've been
Never ender repeat defender

I lost my head in the clouds
And now I'm spilling water
I know I'm not that prown
But I get messed up and call her

I know it's not that hard
But you are all I got
It's all that I got (2x)

When I get back up this time
And I'm finally feeling fine
Never end repeat defend
Won't make the same mistakes again
Won't fall into those traps I've been
Never ender repeat defender

Never ender
Repeat defender (4x)
Never ender

Impossible
Got stuck in the memories

It's logical
To cut all this strings (4x)
