

## Stuff The Turkey

## Alien Sex Fiend

that's bootiful!  
boo-boo-bootiful!

have you ever wondered  
why santa's cheeks  
are ruby red?  
he's not jolly  
he's off his head.  
pull a cracker  
pull up a chair  
have some of this  
it will remove your hair.

stuff the turkey  
it's no time to fast  
enjoy this christmas  
it might be your last.

let's make this christmas  
one to remember  
let's stay drunk  
from january  
till december.  
i'll stuff your stockings  
with passion fruit  
loosen your tie  
get outta that suit.

stuff the turkey  
it's no time to fast  
enjoy this christmas  
it might be your last.

(heavy bit)

it only comes  
but once a year  
stop drinking coffee  
and have a beer.  
pull a cracker  
pull up a chair  
no time to be sober  
just one long bender!

stuff the turkey  
stuff the turkey  
it's no time to fast  
enjoy this christmas  
it might be your last.

stuff the turkey  
stuff the turkey  
stuff the turkey  
stuff the turkey  
stuff the turkey  
stuff the turkey
