Blinded

Alien Weaponry

A never-ending cycle, locked in a fantasy
Blinded by your frame of mind and insecurity
Acting like there's nothing wrong, when everyone can see
Trying to control, when you've got no authority over me

Don't take me for granted
Don't take me for a fool
You don't know me in the slightest
And I don't think that I know you

Something's on your mind, just fucking tell me
Can't look you in your eyes and read your mind, you see
Sorry that you feel this way, but honestly
You ain't right for someone with my tendencies
Set you free!

Set you free!

Don't take me for granted
Don't take me for a fool
You don't know me in the slightest
And I don't think that I know you

Don't take me for granted
Don't take me for a fool
You don't know me in the slightest
And I don't think that I know you

Set you free!
