

# Nobody Here

Alien Weaponry

Everyone watching but there's nobody here  
Everyone watching but there's nobody here  
Everyone watching but there's nobody here  
Everyone watching but there's nobody here

Nau mai ki te rua ipurangi au  
Ehara i te wāhi whakaruruhau  
He karu pōtete  
Ka whakahīhī tonu koe

Te ao mārama ngaro  
O rite ki te pō  
Te rorohiko  
He tāku kāinga pono

Sometimes I wonder if the world is real (real, real)  
Everyone watching but there's nobody here (nobody here)  
We all just close our eyes and look inside reality sinks away (reality sinks away)

Everyone watching but there's nobody here  
Everyone watching but there's nobody here  
Everyone watching but there's nobody here  
Everyone watching but there's nobody here

Nobody here  
Nobody here  
Nobody here
