

## **Sun Up To Sun Down**

**Alien Weaponry**

You know my name  
I am the ever present, never dying infection in you  
The overlord  
The one who has the power to pull the plug on you  
Feed the habit  
Whilst I eat you from the inside out  
What I need, you must feed  
I'm on your mind from sun up to sun down  
...
