

Endlessly

Alina Baraz

Show me where nobody goes
I'm lost in your kaleidoscope
I keep gettin' visions when you comin' close

I stay on it
Top it off, I guarantee
You done it
Good as it could ever be
You watchin'
Give to you, you give to me

Endlessly
You and me
All I need
Endlessly
You and me
All I need

You read me like a horoscope
You lean into me like you know
The way to really love without me sayin' so

I stay on it
Top it off, I guarantee
You done it
Good as it could ever be
You watchin'
Give to you, you give to me

Endlessly
You and me
All I need
(It's all I need)
Endlessly (you're all I want)
You and me
All I need

I, I, give it all, give it all, yeah, yeah, yeah
You, you, give it all, give it all, you, you, you
I, I, give it all, give it all

Endlessly (you're all I want)
You and me
All I need (it's all, all I need)

I, I, give it all, give it all, yeah, yeah, yeah
You, you, give it all, give it all, you, you, you
I, I, give it all, give it all

So I give it like that
And then you give it right back
I give it like that, that, that, that
That, that, that, that
So I give it like that
(And then you give it right back
And then I give it like that, that, that, that
That, that, that, that)

Call me when you get home
Call me when you're alone
I just wanna say somn'
I don't wanna wait long
Call me when you get home
Call me when you're alone
I just wanna say somn'
I don't wanna wait long
