

Memo Blue

Alina Baraz

One thing you won't ever see is a rose without a thorn
Life ain't like the movie scenes, what's love without a flaw?
If only I knew
Would it have led me to you?

Mmm

Mmm

I can only meet you as deep as you have met yourself
I can only reach you from where you are
See your hesitation, well, here's my invitation
We got things to work through from where we are

Gotta get back
Gotta get back home
