

## Morocco

Alina Baraz

My favorite view is me covered in you  
Nothing but my perfume  
Oh, I love the taste of you  
Turquoise bedroom  
Crystal clear, ocean view  
Play some, Badu  
Please don't, ooh-oh, na-na, na-na, na-na

Yeah you take me to another time zone (Time zone)  
Without ever even leavin' my door  
Steady ridin' to another life though (Life thought)  
Oh I look up and we in Morocco  
Yeah, yeah, yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah, yeah, yeah

Okay, now my face (Yeah), your throne  
Baby girl, daddy's home and we still goin' strong  
I'ma pick her up and then it's on  
Ain't no neighbors on the top floor, now we in Morrocco  
Baby cold, I can make her hot though  
Come again, oh, you want an encore?  
My face, your throne  
Baby girl, daddy's home, six zone goin' strong (Yeah)

Yeah you take me to another time zone  
Without ever even leavin' my door  
Steady ridin' to another life though  
Oh I look up and we in Morocco  
Yeah, yeah, yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah, yeah, yeah (Yeah)  
Yeah, yeah, yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah, yeah, yeah
